- Job title, employer and professional information
- Information provided through enquiries, correspondence or meetings
- Recruitment information, including CVs and application details
- Employee and worker information as required for employment purposes
- Website usage data collected through cookies and analytics tools
- Marketing preferences and communication preferences

We only collect personal information that is necessary to provide our services, conduct our business operations or meet our legal obligations.

SITE SURVEYS

When undertaking site surveys on unoccupied land or buildings:

- Prior to site visits the employee intending on visiting is to liaise with persons with knowledge of the building to ascertain any hazards associated with the building or site and to identify what PPE will be required.

HOW WE USE PERSONAL INFORMATION

We may use personal information to:

- Respond to enquiries and provide our services
- Manage client and supplier relationships
- Recruit and manage employees and workers
- Administer contracts and projects
- Improve our website and user experience
- Comply with legal and regulatory obligations
- Send relevant business communications where appropriate

We will only process personal information where we have a lawful basis to do so.

LAWFUL BASES FOR PROCESSING

We process personal information under one or more of the following lawful bases:

- Performance of a contract
- Compliance with a legal obligation
- Legitimate business interests
- Consent, where required
- Protection of vital interests

Where consent is relied upon, individuals have the right to withdraw consent at any time

SHARING INFORMATION

We do not sell personal information to third parties.

We may share information with trusted third-party service providers who support our business operations, including:

- Information technology and cloud service providers
- Payroll and human resources systems
- Employee benefits providers
- Professional advisers
- Regulatory authorities where required by law

Where personal information is shared, we ensure appropriate contractual, organisational and technical measures are in place to protect that data.

INTERNATIONAL TRANSFERS

Where personal information is transferred outside the United Kingdom, we will ensure appropriate safeguards are in place in accordance with UK data protection legislation.

DATA SECURITY

We take reasonable steps to protect personal information from unauthorised access, loss, misuse, alteration or disclosure.

Security measures may include:

- Secure cloud based systems
- Access controls and password protection
- Regular software updates and security measures
- Staff training and awareness

DATA RETENTION

We retain personal information only for as long as necessary to fulfil the purposes for which it was collected, including meeting legal, regulatory, accounting and reporting obligations.

When information is no longer required, it will be securely deleted or destroyed.

YOUR RIGHTS

Under UK data protection legislation, individuals may have the right to:

- Access their personal information
- Request correction of inaccurate information
- Request deletion of personal information
- Restrict the processing of personal information
- Object to certain forms of processing
- Request transfer of personal information
- Withdraw consent where consent is the legal basis for processing

Requests relating to these rights should be submitted using the contact details below.
